

Cloverleaf All Sports Boosters
Minutes
February 12, 2007

President, Tom Detwiler called the meeting to order at 7:04.

Minutes and treasurer's reports were accepted as read.

OLD BUSINESS

Terry Bitner reported that ticket sales for the reverse raffle were going good. There were still a few unsold tickets but he expects it to be another sellout.

Craig Walkup brought pictures of the bleachers he hoped to have installed at the football stadium. He also had pictures of the football field done in Astroturf with the Colts logo. Both were very impressive!

New Business

Tom Detwiler mentioned that there is discussion about a Booster Club website. It would eventually be linked on the schools homepage. Details to come.

Coaches were asked to get their Wish Lists ready.

Craig Walkup ask for the Booster Club's help in getting new shirts and shorts for the boys tennis team. He will report back with the cost.

Meeting was adjourned at 7:48 pm.

Respectfully submitted,
