

Cloverleaf All Sports Boosters Club Minutes
January 12th, 2009

Secretary's Report

- There were twelve (12) attendees at tonight's meeting.
- November minutes were read and approved by Rich Gorze (1st) and Linda Farnsworth (2nd).

Treasurer's Report

- Account balance as of January 12, 2009 is \$9,783.08.
- Treasurer's report was read and approved by Brenda Hewit (1st) and George Siegler (2nd).

Old Business

- Programs. Enough "happy ads" were purchased to pay for the printing of the programs. The programs were completed in an all digital format and can be reprinted as needed.
- The gymnastics team purchased their new leos. The final cost was \$914.00, under the \$1500 that was allotted.
- The football concession stand is still in need of a new or used refrigerator. If anyone would like to donate one, please contact Tom Detweiler. It will be needed by next fall football season.
- Facilities updates:
 - New water lines were run to tennis and soccer fields. Water lines will be run to softball fields at later date.
 - Funds are still needed for the softball field backstops.
 - A new score board will be installed by fall. It is being purchased by mostly donations. The current score board is outdated and parts can not be found when replacements are needed.

New Business

- Terry Bittner gave Reverse Raffle (March 21st) updates. There were 108 tickets sold last year. The record ticket sales were 120. There needs to be a push to get the spring sporting events to attend this year. The parents groups will be contacted about making gift baskets for the silent raffle. There will be group emails going out to the different sports parent's organizations. If you have a group email address and are willing to send out raffle information, please contact Terry Bittner or any Booster member. Donations are still needed for silent auction items. A DJ still needs to be found.
- A money request came from the swim team. The swim team needs dive platforms. Nathan Butt has agreed to build the platforms as part of his Eagle Scout Program. George Siegler motioned to approve this project. Pegeen Razem – 2nd, motion passed.
- A thank you letter was read from the wrestling team thanking the Boosters for their new warm-ups.

Next Meeting: Monday, February 9, 2009 @ 7:00pm
