

Cloverleaf All Sports Boosters Club Minutes January 11, 2010

Secretary's Report

- There were twelve (12) in attendance for tonight's meeting.
- The November minutes were presented. There was no December meeting. The November minutes were read and approved by Gary Furr (1st) and Karen Z-Gorze (2nd).

Treasurer's Report

- Account balance as of January 11, 2010 is \$11,175.03.
- Treasurer's report was read and approved by Gary Furr (1st) and Pegeen Razem (2nd).

Old Business

- The new winter sports programs arrived. There were only 100 purchased and ~30 have already sold. Boosters still need a new coordinator for next fall and winter. Should be less of a rush considering the first two football games are away next fall. Jeff and Fay Jarrett were contacted regarding running next years programs. They will discuss it and let the boosters know their decision.
- Craig Walkup was not able to make tonight's meeting. No facility updates were given.
- The gymnastic team had requested help in the purchase of several new items. The total of the three items was \$545.50 (vault collar \$371.50, portable tape \$39.00, and X-mat \$135.00). The boosters agreed to pay the \$45.50 extra over the \$500 allotted.
- The wrestling coach, Ken Arend, had a stroke in December. The boosters discussed and agreed to purchase a gasoline gift card to help with his travel expenses. We all wish him a speedy recovery!!

New Business

- Terry Bittner reported on the upcoming reverse raffle (March 13). He has help from George Siegler, Tom Detwiler, and Pat Ploucha. Raffle/dinner tickets will remain the same cost of \$125.00/couple or \$100.00/single or to support the program. They are starting to get donations for the silent auction. The time has changed to 5-11:30 to allow for more silent auction time.
- Softball Coach John Carmigiano was able to purchase new uniforms at a very low cost. However, they came without the embroidery of the "cloverleaf". He asked the boosters to help with this cost. Linda Farnsworth motioned to approve up to \$800. Karen Z-Gorze seconds the motion. Motion passed.
- Rose Marie Torma has always in the past put together a picture presentation of all the HS sports. This picture show was shown at last year's reverse raffle. Due to an illness in her family, she is unable to get the pictures for this year. Rich Gorze will contact TGrant and Bob Manthey photographers to see if they would be willing to put together a picture presentation. If they are unwilling or unable, Rich and Pegeen Razem will attempt to contact all the different sports for pictures to put a show together.

Next Meeting: Monday, February 8, 2010 @ 7:00pm.

1-22-10: An email vote was sent out from the wrestling team requesting \$250.00 to help pay the meal cost on their WV tournament expenses. Responses came in from: Rich Gorze, George Siegler, Karen Gorze, Craig Walkup, John Carmigiano, Jeff Jarrett, Val Baughman, Mike Schmidt, Beth Raffry, and Pegeen Razem. The request was granted. However, the request was withdrawn as the wrestling team was able to pay for everything themselves. They thanked the Boosters for their support!
