

CLOVERLEAF ALL SPORTS BOOSTER'S CLUB
MINUTES
MARCH 10, 2008

Reverse Raffle chairman, Terry Bittner, called the meeting to order in President Tom Detwiler's absence.

Minutes from the last meeting were reviewed and Bill Rodman motioned to accept them as read. Linda Farnsworth seconded the motion which passed.

Linda Farnsworth summarized the Treasurer's report showing \$2387.33. Bill Rodman motioned to accept the report with a second from George Siegler. The motion passed.

OLD BUSINESS

Terry reminded the members that officer elections will take place at the May meeting. Current openings are Vice President, secretary, and a Sports Program Chairperson. Please consider filling one of the positions.

George Siegler reported that 103 tickets have been sold for the upcoming Raffle. Tickets will be available at the Winter Sports Banquet also. Tickets can be purchased from George, Terry, or Tom.

NEW BUSINESS

Baseball coach, Bill Rodman, requested support from the Boosters to purchase 16 warm up jackets costing \$690.00. Current jackets will be passed down to the freshman. In addition, he requested \$550.00 to

purchase a Multitech Trainer device. And is always the case at the beginning of a season, fill dirt is needed for the field. Gary Furr motioned to grant his request for the Trainer and jackets costing a total of \$1240.00. Linda Farnsworth seconded the motion which passed. The fill dirt will either have to be funded by the Home Run Club or tabled for the time being as Booster's fund are low. The Reverse Raffle will replenish the account.

The meeting was adjourned and we look forward to seeing everyone at the Raffle!

Respectfully submitted,
Beth Meadows
