OLD BUSINESS

The tennis courts have been completed.

NEW BUSINESS

Terry Bittner announced that the annual Reverse Raffle will again be at the Blair Center in Westfield Center on March 15th. Tickets will be \$120.00 per couple which includes one big board number and two meals. In Terry's absence, he has recruited George Siegler and Chris Berry to oversee side boards, etc. It was requested that basket donations show more variety in their themes. Beth will send out a letter to coaches and "splinter" group chair people. It was suggested by Brenda Hewit that Boosters might solicit vendors such as Riddell, Coca Cola, and Pierce's for donations in turn having their name printed in the evening's program.

Linda inquired about personal ads in the winter sports program. They currently run the same ads from the fall to winter programs. It was suggested to generate more revenue that separate ads be for each season. Reason being that winter sports parents may not have athletes in the fall season and be able to take advantage of the opportunity.

It was also recommended that free items such as the game ball, hot dog, Pizzazio's pizza be put in random programs to help create more of an incentive for people, other than parents, to buy.

Bill Rodman suggested that a program committee be developed to proceed with these ideas hopefully to have the decisions in place by July.

There will be no December meeting and Booster's will meet again on January 14th.

Respectfully submitted,

Beth Meadows
