

**Cloverleaf All Sports Boosters Club Minutes
November 10, 2008**

Secretary's Report

- There were eleven (11) attendees at tonight's meeting.
- One correction was made to the October minutes. The date for the Reverse Raffle is Saturday, March 21, not the 9th as was reported.

Treasurer's Report

- Account balance as of November 10, 2008 is \$12,803.48
- Treasurer's report was read and approved by Linda Farnsworth (1st) and Tom Detweiler (2nd)

Old Business

- The Boosters were refunded by the window cling company for \$262.50. The window cling order came in blurry and had to be re-done. Due to the lower cost to the Boosters, a new price may be issued for sales at basketball games.
- Very few Fall Sports Programs were left over. There were many nice comments on the quality of the programs for this year. Winter Sports Programs will be ordered directly after team pictures are done.
- The tail gate party at the CHS/Lexington football game was very well supported. The "fan bus" has not yet been paid. Treasurer is waiting for a bill from the athletic department.

New Business

- Pegeen Razem asked the Boosters for fifteen (15) new leos for the gymnastics team. The old team leos are over 3 years old. The cost will be ~\$1500. The Boosters approved this request with Linda Farnsworth's motion and Terry Bittner (2nd).
- Bill Rodman put in a request for new calcified clay for the baseball infield. Bill explained how the field needs to be resurfaced every year due to winds. He would like to have the clay placed on the field before winter to allow for settling. The Boosters allotted \$2,000.00. Terry Bittner motioned to approve the request. Brenda Hewit 2nd the motion. Request approved.
- Reverse Raffle ticket sales will begin right after the first of the year. Ticket prices will be the same as last year. Terry Bittner and George Siegler will chair the event.

**There will be no December Meeting!
Next Meeting: Monday, January 12, 2009 @ 7:00pm**
