Old Business

- The "stim" machine has been purchased for the use of the trainers.
- The boosters received a thank you from the wrestling team for their new warm ups.
- All of the fall sports programs were sold with the exception of ~30 left over from homecoming. A new program coordinator will be needed for next year. A couple names have been suggested and those people will be contacted to see if there is an interest.
- Football needed new grease boards for their training room. The boards will be mounted with hinges so they can be moved from flush against the wall. The cost is ~\$500.00. It was voted and approved to give the money for the boards.
- Reverse Raffle is scheduled for March 13, 2010. A \$500.00 down payment was needed to reserve the Blair Center.
- Tom asked the boosters how they would like to support Kory Wiita (the injured Highland football player). It was agreed to give \$500 to the family from the boosters. Tom Detwiler approved first and Ken Arend second.
- Craig Walkup and Terry Bittner are still looking for a "litter cat" machine for the football field. They are narrowing down their options.
- Craig is looking into a grant to help with the softball field. This grant would allow help in finishing the field. He will keep us posted on the progress of the grant.
